

# AAPB: Impact in Action

June 11–12 | Chattanooga, Tennessee

The American Association for Public Broadband is launching its first regional leadership forum in the Southeast.

Impact in Action is designed as a focused working gathering for local leaders, broadband office directors, utilities, and aligned partners navigating real infrastructure decisions.

Sponsorship opportunities are limited to preserve a conversational, working environment, not a trade show floor.

**15 total sponsorships available.**

# Impact Partner

**Limit: 5 (One per Leadership Working Session)**

## Member Rate

\$4,000

2

## Non-Member Rate

\$5,500

Impact Partners participate as designated Industry Experts within one of five Leadership Working Sessions.

These 75-minute moderated sessions are structured conversations centered on real implementation questions. Participants select one session and remain in that room for the duration.

Impact Partners are placed in sessions aligned with their expertise and contribute alongside community operators, state leaders, and utility executives.

## Impact Sponsors: A Seat at the table

This allows real participation in a serious, peer-level working discussion, positioning you at the table as a leading industry expert.

### Includes:

- Industry Expert seat in one Leadership Working Session
- Double poster space in the storytelling session
- Recognition on event website, printed program, and stage signage
- Two full conference registrations
- Individual LinkedIn sponsor spotlight
